s 9(2)(a)

By email: s 9(2)(a)  
Ref: H2022014972

Dear s 9(2)(a)

### Response to your request for official information

Thank you for your request under the Official Information Act 1982 (the Act) to Manatū Haoura (the Ministry of Health) on 17 October 2022. You requested:

*“Can you please provide a list of all medicines supplied under Section 29 of the Medicines Act between 2019-2022 including number of packs for each medicine?”*

Please find attached to this letter as appendices one to four, lists of medicines supplied under the exemption provisions in section 29 of the Medicines Act 1981 for the years 2019 to 2022.

Each appendix includes the name of the medicine (active substance) and the number of packs of the product supplied.

When considering these data, it is important to note:

- That the number of packs supplied cannot be used to determine the number of prescriptions, or the number of doses, or the number of patients.
- Reporting information is supplied retrospectively and therefore the number of packs reported as supplied in this response is accurate at the time of preparing the response but may change if additional reports are received.

I trust this information fulfils your request. Under section 28(3) of the Act, you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: [info@ombudsman.parliament.nz](mailto:info@ombudsman.parliament.nz) or by calling 0800 802 602.

Please note that this response, with your personal details removed, may be published on the Manatū Hauora website at: [www.health.govt.nz/about-ministry/information-releases/responses-official-information-act-requests](http://www.health.govt.nz/about-ministry/information-releases/responses-official-information-act-requests).

Yours sincerely

Derek Fitzgerald  
**Acting Group Manager**
