

Change Notification:

cn_2016_NSUP_NCAMP_PRIMHD_Supplementary_Records_v1.0

Date of Issue: 8 October 2015

**Proposed Implementation Date:** 1 July 2016**Subject:** Addition of PRIMHD Supplementary Consumer Records**CHANGE NOTIFICATION****Summary:**

This change notification advises the sector that the Health Information Standards Organisation (HISO)—in conjunction with the mental health and addiction services team—completed a full review of the Programme for the Integration of Mental Health Data (PRIMHD) standard in 2013.

We implemented some of the changes identified in this review as part of NCAMP 2014. This notice covers some of the remaining changes.

National Collections Impacted by Change:

PRIMHD

Context of the Change:

HISO has—in conjunction with the mental health and addiction services team and the mental health and addiction sector—completed a full review of the PRIMHD standards documentation. The review took into account the future direction of mental health planning and the data sets required to help make policy and funding decisions to support this future planning.

Details of Proposed Changes:

The following changes will be included:

1. Supplementary Consumer Records will be a child of the referral discharge record. For further details please refer to the attached appendix.
2. The Supplementary Consumer Records are mandatory for referral discharge records with a start date on or after 1 July 2016, optional for referral discharge records starting on or after 1 July 2014.
3. The Supplementary Consumer Records are made up of the following four new data elements:
 - Wellness Plans
 - Supplementary Consumer Record code data element text
 - “Is a Wellness Plan (Relapse Prevention or Transition) in place?”
 - Valid options are:
 - 1 (Yes)
 - 2 (No)
 - 7 (Unknown).
 - Accommodation status
 - Supplementary Consumer Record code data element text
 - “What is the accommodation status?”
 - Valid options are:
 - 1 (Independent)
 - 2 (Supported)
 - 3 (Homeless).
 - Employment status
 - Supplementary Consumer Record code data element text
 - “What is the employment status?”
 - Valid options are:
 - 1 (In Paid employment >= 30 hrs per week)
 - 2 (In Paid employment for 1 to less than 30 hrs per week)
 - 3 (Not in Paid employment – less than 1 hour per week)
 - Education and Training

- o Supplementary Consumer Record code data element text
 - “What is the Education and Training status?”
 - o Valid options are:
 - 1 (Yes)
 - 2 (No)
4. The Supplementary Data elements need to be collected, at a minimum, at the start and end of each referral discharge, and if the referral lasts longer than 12 months, at least once per year. If the data elements change a new record should be submitted.
 5. Each Supplementary Consumer Record must contain a supplementary consumer record ID unique to the referral discharge record.
 6. Each Supplementary Consumer Record must contain one collection date.
 7. Example referral discharge xml

What is Expected of the Sector:

Supplementary Consumer Records containing four new data elements must be submitted and reported in PRIMHD file version 2.3.

Impact of Change on National Collection(s):

The Ministry will be able to meet its obligations to report on the information provided to PRIMHD.

Comments:

The mental health and addiction services team will provide a guidance document for these Supplementary Consumer Records towards the end of 2015.

Please refer to the PRIMHD HISO documentation found at [PRIMHD Code Set Standard \(HISO 10023:3:2015\)](#).
