## Claim header

<b>Claim reference</b>	Enter your own reference number for the claim. This will be used as a reference if any queries arise with processing of the claim, eg, 12345, 1234H, H1234, BROWN, BROWN2.
<b>Payee number</b>	Enter the payee number assigned to the organisation which the dental practitioner is representing, for the work claimed, eg, 123456.
<b>Agreement number</b>	Enter the agreement number and version assigned to the organisation which the dental practitioner is representing, for the work claimed, eg, 123456-01.
<b>Dental Council number</b>	Dental Council number of the dental practitioner who is performing the work that is being claimed for, eg, D1234.
<b>Agreement holder's name</b>	Enter the name of the agreement holder as this may differ from the dental practitioner who is performing the work that is being claimed, eg, Smith & Sons.
<b>Dental practitioner's name and address</b>	The name and address of the dental practitioner who is performing the work that is being claimed for.
<b>Service period (from / to)</b>	Enter the claims periods for which this claim represents in dd/mm/yy format, eg, 01/10/06.
<b>DHB associated with agreement holder's name</b>	Enter DHB associated with the contract for which the dental work is being claimed under, eg, Lakes DHB.
<b>IF as locum tenens</b>	Enter the host dental practitioner's name, address and host Dental Council number.

## Patient and treatment details

<b>Date of service</b>	Enter the date on which the dental work was performed.
<b>Patient details</b>	Enter all relevant patient details
<b>Tooth #</b>	Enter tooth number(s) that work is being carried out on, teeth at centre of pain should be circled.
<b>Claim code</b>	Enter the number of times claimed against each code.

## Treatment(s) claimed

<b>Quantity claimed</b>	Summarise the claim code totals from the Work and Patient Details area for each claim code.
<b>Rate \$</b>	Enter the rate for the relevant claim codes, as per your agreement.
<b>Total \$ (fields)</b>	Calculate "Total \$ (excluding GST)" as "Quantity Claimed" x "Rate \$". Calculate GST and enter in the "GST \$" field. Enter in "Total \$ (including GST)" as "Total \$ (excluding GST)" plus "GST \$".
<b>Totals</b>	On the right-hand side of the form add each line and enter as a grand total for the claim.

## Certification

"I declare:

- "No other payment, remuneration or benefit has been or will be received in respect of the services set out in this form, except for that provided under the terms and conditions of my Agreement referred to herewith;
- "Each patient listed in this form has been advised that their personal information will be provided to the Ministry of Health and that they may access/request changes to the information;
- "I understand that this claim form will be held securely by the Ministry of Health and will be kept in confidence except as required to be disclosed by law;
- "I will retain a copy of this claim form for my own records;
- "The Emergency Dental Care Services for Low Income Adults claimed have been provided in accordance with the Agreement referred to on the front page of this form."
