3. Service Objectives

Refer to Tier Two Facility Based Respite Service Specification.

In addition to the requirements of Tier Two Facility Based Respite Service Specification, the Provider will ensure services are delivered in accordance with the following principles from the Memorandum of Understanding between the Ministry of Health and the Ministry of Social Development (Child Youth and Family Services):

- the best interests of the Child or Young Person are the primary concern
- the rights of the Child or Young Person are recognised and are not diminished by the presence of a disability
- wherever possible, the Carer/s participates in decisions that affect the eligible Child or Young Person.
4. **Service Performance Measures**

Performance Measures form part of the Results Based Accountability (RBA) Framework. The Performance Measures in the table below represent key service areas the Purchasing Agency and the Provider will monitor to help assess service delivery. Full Reporting Requirements regarding these measures are detailed in Appendix 3 of the Outcome Agreement. It is anticipated the Performance Measures will evolve over time to reflect Ministry and Provider priorities.

The ‘How much’, ‘How well’ and ‘Better off’ headings relate to different types of RBA performance measures.

Measures below are detailed in the Data Dictionary, which defines what the Ministry means by certain key phrases.

7. **Key Inputs**

7.1. **Staffing**

In addition to the Tier Two Facility Based Respite Service Specification requirements, staff training will include:

- delivering developmentally and age appropriate activities/outings, interactions and supports
- understanding the developmental needs of children with disabilities
- recognising risks to the Child’s safety or instances of possible abuse and the organisation’s prevention of abuse and neglect policy in relation to children
• competency in child protection and agency procedures and protocols for dealing with situations where abuse is either observed or suspected, including requirements under the Vulnerable Children’s Act (2013)
• competencies to ensure each Child or Young Person’s Personal Plan are developed, implemented and monitored so that Personal Plans are fully implemented and disability support needs are met.

8. Completing the Respite

Refer to Tier Two Facility Based Respite Service Specification.

9. Linkages

In addition to the Tier Two Facility Based Respite Service Specification requirements, any concerns about Child safety should follow Child protection and agency procedures for dealing with situations of abuse. The Provider must seek advice from the NASC to ensure the Child’s needs are managed in a timely way.

10. Items Excluded from Facility Based Respite

Refer to Tier Two Facility Based Respite Service Specification.

11. Quality Requirements

11.1 Risk Management

In addition to the Tier Two Facility Based Respite Service Specification requirements, the Provider’s Risk Management Plan shall address the following matters:
• staff recruitment and supervision that emphasise the safety of the Child and Young Person
• staff rosters that ensure adequate supervision, particularly when staff are carrying out personal care for the Child and Young Person
• the compatibility of Children and Young People accessing the facility at the same time
• policy and procedures if abuse of a Child and Young Person is evident or suspected
• the safety of staff when working with Children and Young People with challenging behaviours.

11.2 Person/ Carer/s input

Refer to Tier Two Facility Based Respite Service Specification.
11.3 Safety and Efficiency

In addition to the Tier Two Facility Based Respite Service Specification requirements, the Provider will have documented policies/protocols for the following aspects of service delivery:

- ensuring the safety of Children and Young People and the safety of staff from accusations of abuse, this is particularly important for staff involved in personal care
- where there is a suspected case of abuse, it is the provider’s responsibility to notify the Police, the Person’s NASC, the Ministry, and Child Youth and Family (CYF)
- any transfer to an alternative service that would be coordinated by CYF as the agency with statutory authority for care and protection. (Section 396 of the Children, Young Persons and their Families Act 1989).

12. Purchase Units

Purchase Units are defined in Ministry of Health’s Nationwide Service Framework Purchase Unit Data Dictionary. The following table is a summary list of the tier three Facility Based Respite Purchase Unit Codes associated with this Service.
