FORM of RETURN

Manufacturer/Importer: Imperial Tobacco Limited

Calendar Year: 12 months to 31 December 2022

Tobacco Product Class: Cigarettes

I, hereby, certify that the referenced products have been manufactured by Imperial Tobacco according to the European manufacturing standards and they are regularly tested in its laboratory facilities.

This report correctly records the results of all tests carried out for products on sale in New Zealand during the period stated above for the purposes of section 35 of the Smoke Free Environment Act.

The mean values of the Nicotine-free dry particulate matter (TAR), the smoke nicotine and the carbon monoxide (CO), shown in the table attached, have been obtained following the ISO standards in force at the laboratories of Reemtsma in Germany on behalf of Imperial Tobacco Limited.

The ISO 17025 accreditation certificates of the laboratories of Imperial Tobacco Limited where the analyses have been performed are attached in the Annex entitled "Accreditation Certificate (ISO 17025)".

The corresponding certificated test report for each individual test made is available upon request.

Should you require further or complementary information do not hesitate to contact me.
