PART B - CONFIRMATION THAT ELECTRICITY IS REQUIRED

I certify that _____ (patient's name) with NHI number _____ is:

- (a) using mains electricity dependent critical electrical medical equipment (CEME); and
- (b) at some point in the future may be dependent on the CEME to the extent that disconnection may result in loss of life or serious harm. (If so, the patient is a potentially medically dependent consumer (of electricity)²³.)

I also certify that the patient listed above has been provided knowledge, training and support, in accordance with appropriate clinical practice:

- (a) for the use of the CEME; and
- (b) what to do in an emergency, including when the supply of electricity may be interrupted for any reason.

Where:

- (a) Critical medical support is defined as support which, in the opinion of a DHB, private hospital or GP, is required to prevent loss of life or serious harm; and
- (b) CEME is defined as any equipment supplied or prescribed by a DHB, private hospital or GP, which requires mains electricity to provide critical medical support to a person, and includes other electrical equipment needed to support either the CEME or the treatment regime (e.g. a microwave to heat fluids for renal dialysis).

Note: The patient's electricity retailer may seek advice on the patient's status as a MDC if at any point in the future the patient faces disconnection.
