

29 January 2010

Dear John,

Please find enclosed our cigarette summary for 2009.

This was a once off experiment and will most probably not import cigarettes again.
The SA Shop Ltd sells our cigarettes @ nz\$14.50 per packet of 20 cigarettes.
We sell mostly the cigarettes as gifts or special occasions.

The weight per cigarette box varies between 24g and 26g.
The tobacco weighs 90g per packet.

The smoke from each cigarette contains, on average:
- 16 milligrams or less of tar
- 1.2 milligrams or less of nicotine
-20 milligrams or less of carbon monoxide.

The total of the import was only NZ \$ 3069.44

Kind Regards
Retha Lombard
