1. Introduction

- 1.1 The Voluntary Bonding Scheme (the Scheme) is an incentive based payment scheme that has been introduced by the Government to encourage graduates to work in hard-to-staff communities for three to five years after graduation.
- 1.2 Graduates who are part of the Scheme are eligible for their first incentive payment after they have completed three years in their specified community. Funding is intended to help graduates repay student loans (if they have them) or provide cash payments to top up income if their student loan balance is zero.
- 1.3 To be eligible for the Scheme, you must:
- be a New Zealand citizen or permanent resident ¹ at the time you make an application for payment;
 - have completed your final year of study in 2016 for your base qualification for your profession at an accredited New Zealand Training Institution (clauses 1.10 to 1.12);
 - be registered, or be eligible to be registered with the Dental Council of New Zealand;
 - be working, or intending to work, in the profession for which you have trained, for three to five years;
 - be working, or intending to work, in a hard-to-staff community as per the eligibility criteria for dentists (clause 4.3); and
 - comply with all other terms and conditions of the Scheme.
- 1.4 Involvement in the Scheme involves four phases:
- registration of Interest
 - confirmation of place on the Scheme
 - participation (employment)
 - applications for payment.
- 1.5 In order to be eligible for payment, you must register for the Scheme, have had your place on the Scheme confirmed and have met the Scheme's Terms and Conditions during the participation phase.
- 1.6 You will not be eligible for any payment from the Scheme until you have completed at least three full years (36 months) on the Scheme, in accordance with these Terms and Conditions.
- 1.7 The Scheme is a voluntary process and you, not the Ministry of Health (the Ministry), are responsible for any employment decisions you may make based on your intended participation in the Scheme, including decisions about working in hard-to-staff communities and specialties.
- 1.8 You are responsible for notifying the Ministry of any change of postal address, email address or other contact details in a timely manner.
- 1.9 There are limited places available on the Scheme. Where eligible Registrations of Interest exceed the number of places available on the Scheme, a ballot process will be applied for selection. This is not subject to appeal.

¹ For the purposes of the Scheme, Permanent Residents include those who hold a NZ Permanent Resident Visa, or a Returning Resident Visa, or Australian Citizens.

Education Prerequisites

- 1.10 You must:
- have completed the requirements of an undergraduate training programme for Dentistry in 2016 from an accredited New Zealand tertiary institution; and
 - be eligible to be registered with the Dental Council of New Zealand.
- 1.11 The accredited New Zealand training institution for dentists is:
- University of Otago
- 1.12 New Zealand citizens and permanent residents who gained their base professional qualifications from an overseas training institution in 2016 and who meet the registration requirements of the Dental Council of New Zealand may be considered for the Scheme on a case-by-case basis, if they meet all other eligibility criteria and other Terms and Conditions of the Scheme. This will be assessed prior to confirmation of a place on the Scheme.

Definition of a Graduate

- 1.13 Eligible graduates are those who completed their studies towards their undergraduate degree in 2016 and can provide evidence of having done so, irrespective of the date of their graduation ceremony.

2. Registration of Interest

- 2.1 In order to be a participant on the Scheme, you must successfully register your interest and be confirmed on the Scheme.
- 2.2 To register your interest you must complete the online Registration of Interest form and provide information to show that you meet, or intend to meet, the eligibility criteria of the Scheme. The Registration of Interest period is typically six weeks in duration. You are responsible for ensuring that you register during this period. Entries outside this period will not be considered. It is your responsibility to ensure that you successfully register for the Scheme, and obtain an email from the Ministry confirming this.
- 2.3 A Registration of Interest is not an application for a place on the Scheme. The purpose of the Registration of Interest process is to provide information about your future work plans so that you can be considered for one of the places on the Scheme.

3. Confirmation on the Scheme

- 3.1 There are limited places on the Scheme. Successfully registering your interest for the Scheme does not guarantee you will be confirmed on the Scheme.
- 3.2 A separate process will be conducted by the Ministry (following consideration of your Registration of Interest) to formally confirm you on the Scheme. You will be advised in writing whether your place on the Scheme has been confirmed.
- 3.3 Where the eligible number of Registrations of Interest exceeds the number of places on the Scheme, a ballot process will be applied for selection. This is not subject to appeal.

4. Participation

4.1 Once you are confirmed on the Scheme, your participation is determined by:

- your Commencement Date on the Scheme
- minimum employment requirements
- movement between hard-to-staff communities
- breaks and pauses in your employment
- parental leave
- work you may undertake as a locum.

In order to be eligible to receive payment from the Scheme you must comply with the eligibility criteria for payment (clause 5).

Eligibility Criteria

4.2 To be eligible for the Scheme, you must:

- work as a dentist in one of the hard-to-staff communities for dentists for the next three to five years.

4.3 **The 2017 hard-to-staff communities are:**

- any of the eight Maori Oral Health Providers listed below
 - Te Hiku Hauora, Kaitaia
 - Ngāti Hine Health Trust, Kawakawa
 - Raukura Hauora o Tainui, Hamilton
 - Te Manu Toroa, Tauranga
 - Tipu Ora, Rotorua
 - Ngati Porou Hauora, Te Puia Springs
 - Te Taiwhenua o Heretaunga, Hastings
 - Ora Toa PHO, Porirua

OR

- practices located in rural or remote areas (to be assessed by the Ministry on a case by case basis prior to your confirmation on the Scheme.)

Changes to Hard-to Staff Communities

4.4 You must commence working in one of the hard-to-staff communities listed in clause 4.3. If you wish to change the community you are working in, you may only do so in accordance with clauses 4.12 to 4.13.

Commencement Date

4.5 If you were already working in a hard-to-staff community on or before 1 January 2017, your Commencement Date on the Scheme is **1 January 2017**. Time employed in an eligible position prior to this date does not contribute towards the bonding period.

4.6 If you began (or begin) working in a hard-to-staff community, after 1 January 2017, your Commencement Date is the date on which your employment began.

4.7 If you have indicated in your Registration of Interest that you intend to shift into a hard-to-staff community, your Commencement Date is the date that your employment in a hard-to-staff community begins.

4.8 If you have not commenced employment in accordance with these requirements by **30 June 2018**, your confirmation on the Scheme will lapse and you will cease to be eligible for the Scheme and payments.

Minimum Employment Requirements

- 4.9 To be eligible for the Scheme, you must be employed for a minimum of 0.6 FTE (this may be an average FTE for any 12 month period of employment if your hours worked fluctuated for any reason).
- 4.10 You will not be eligible for payment from the Scheme if you undertake substantive or continuous locum work that means that you cannot meet the breaks and pauses clauses (clauses 4.14 to 4.17 and 4.21 to 4.23).
- 4.11 You are responsible for verifying that the FTE requirements have been met and will be required to make a declaration and provide a certificate of service from your employer(s) before each bonding payment is made (clause 5).

Moving Between Hard-to-Staff Communities

- 4.12 You may move between hard-to-staff communities listed in clauses 4.3 OR listed in any Voluntary Bonding Scheme Terms and Conditions for dentists after 2017.
- 4.13 You cannot move to a hard-to-staff community that is listed in any Voluntary Bonding Scheme Terms and Conditions before 2017.

Breaks and Pauses in the Term of Service

- 4.14 You can take up to 14 weeks absence (total paid and unpaid leave, not including Parental Leave) in a 12 month period from your position in a hard-to-staff community without affecting your eligibility for bonding payments. Such an absence is known as a “break”.
- 4.15 A “pause” is any time beyond the 14 weeks break allowance that you spend away from the hard-to-staff community. Time taken as pauses is added to the term necessary to complete the bond, and no more than ten weeks may be added during the course of any one year. No more than 50 weeks in total can be added to the five-year bonding term.

Total absences of more than 24 weeks in any 12 month period (not including Parental Leave) will render an applicant ineligible for the Scheme and payments.

- 4.16 Breaks and pauses include any leave or absence from employment, with or without pay, including normal employment leave entitlements, such as annual leave and sick leave.
- 4.17 Locum work will also be considered against the breaks and pauses provisions (see clauses 4.21 to 4.23).

Parental Leave

- 4.18 You may take up to 52 weeks parental leave, in accordance with the Parental Leave and Employment Protection Act 1987 and remain on the Scheme.
- 4.19 Time spent on parental leave does not accrue towards your bonding period and must be made up. The bonding period will automatically restart as soon as you return to work in a hard-to-staff community listed in clause 4.3.
- 4.20 Time spent on parental leave is separate to the break and pause provisions (clauses 4.14 to 4.17).

Working as a Locum

- 4.21 Locum work that you may undertake is considered an absence under these terms. If you undertake locum work such that you cannot meet the breaks and pauses clauses (clauses 4.14 to 4.17), you will not be eligible for payment from the Scheme.
- 4.22 For the purposes of the Scheme, a locum is considered to be someone who provides the services in the stead of another dentist within the same scope of practice during normal working hours.
- 4.23 When you apply for payments from the Scheme, you will be asked to confirm that you have not engaged in “substantive” locum work.

Exemptions and Reviews in Exceptional Circumstances

- 4.24 If there is a change in your circumstances that is exceptional and results in an inability to meet the 2017 Terms and Conditions, you may request an exemption for a specified period from the Ministry. Exemptions from the standard Terms and Conditions will only be granted in exceptional circumstances, at the discretion of the Ministry. It is strongly recommended that you seek an exemption prior to becoming ineligible under the normal terms. If you are applying for payment, and have not met the terms due to exceptional circumstances, you can also request a retrospective review.
- 4.25 Applications for exemptions must be made in writing, with a clear explanation as to what clauses cannot be met and the exceptional circumstances which have prevented you from meeting the Terms. These can be sent to ybs@moh.govt.nz, or submitted along with an application for payment.

5. Payment

- 5.1 You are responsible for initiating the first claim for payment after three full years (36 months) have been completed on the Scheme, in accordance with these Terms and Conditions, starting from your Commencement Date (see clauses 4.5 to 4.8).
- 5.2 If you remain on the Scheme for a fourth and fifth year, you are responsible for initiating the second and third claims for payment.
- 5.3 The Ministry strongly encourages you to apply for payment no later than nine months after becoming eligible to apply.
- 5.4 You will only be eligible for payments if:
- been employed for at least three full years (1st payment) in accordance with these Terms and Conditions. Up to two additional payments can be applied for upon completion of a fourth or fifth year.
 - you have met the minimum full time equivalent (FTE) employment requirements (clauses 4.9 to 4.11)
 - you have complied with the rules governing breaks and pauses (clauses 4.14 to 4.17), Parental Leave (4.18 to 4.20), and locum work for the Scheme (clauses 4.21 to 4.23).
- 5.5 No payments will be made until you have:
- applied for payment in accordance with the application for payment process
 - submitted a declaration confirming that you have met these Terms and Conditions
 - provided a certificate of service from your employer(s) confirming that your employment has complied with the Terms and Conditions of the Scheme during the bonding period.

- 5.6 Details of further information required to confirm that you have met these Terms and Conditions and to enable payment to be made (e.g. proof of identity) are outlined in the payment application form, which will become available on the Ministry of Health website early January 2020.
- 5.7 If you have a student loan, the net Scheme payment will be made against your student loan. If the balance of your student loan is less than the Scheme payment, you will need to contact Inland Revenue once the payment has been made to enable the difference to be paid to you.
- 5.8 If you do not have a student loan, the net Scheme payment will be paid directly to you.
- 5.9 Payment for dentists for each period of 12 months completed on the Scheme is **\$10,000** after tax (net).
- 5.10 If you are an independent contractor, a gross payment will be made and the net amount you receive will depend upon your personal tax situation.
- 5.11 Scheme payments are subject to income tax and may affect your tax situation, for example, in relation to provisional tax, Working for Families and child support payments.
- 5.12 The Ministry recommends that you seek independent advice on how the payment will affect your tax position. For further tax information, contact Inland Revenue.
