

APPENDIX 1

Key to Symbols and Abbreviations

Compliance codes

- A** Inadequate corrective action following transgression or failure to meet plumbosolvency compliance requirements
- E** *E. coli* non-compliance
- C** Chemical transgression
- N** Not monitored for *E. coli*/P2
- N?** Unable to contact water supplier - deemed to be Not monitored
- N!** Water supplier did not provide monitoring data - deemed to be Not monitored
- L** Non-recognised laboratory used for analyses
- I** Inadequate sampling
- (f)** Inadequate number of samples
- (d)** Sampled on too few days of the week
- (i)** Sampling exceeded the maximum number of days between samples
- P** No effective protozoal treatment in one or more treatment plants

Compliance change codes

- ☺ Performance better than last year
- ☹ Performance the same as last year
- ☹ Performance worse than last year
- ✓ Complied in full again
- 📖 Newly-registered supply / Newly-identified P2 determinand
- ✂ Zone deregistered
