Part A**Information about this notice****A1 Title**

This notice is the Primary Maternity Services Notice 2007.

A2 Commencement

This notice comes into force on 1 July 2007.

*Purpose and objectives***A3 Purpose of this notice**

The purpose of this notice is to set out the terms and conditions on which the Crown will make a payment to a maternity provider for providing primary maternity services.

Defined in this notice: maternity provider, primary maternity services

A4 Objectives of primary maternity services

The objectives of primary maternity services are to—

- (a) give each woman, her partner, and her whanau or family, every opportunity to have a fulfilling outcome to the woman's pregnancy and childbirth by facilitating the provision of primary maternity services that are safe, informed by evidence and that are based on partnership, information, and choice; and
- (b) recognise that pregnancy and childbirth are a normal life-stage for most women; and
- (c) provide the woman with continuity of care through her LMC who is responsible for assessment of her needs, planning of her care with her and the care of her baby; and
- (d) facilitate the provision of appropriate additional care for those women and babies who need it.

Defined in this notice: LMC, primary maternity services

Overview of this notice

A5 Revocation and transitional provisions

- (1) This notice revokes and replaces the previous notice.
- (2) The transitional provisions for revoking and replacing the previous notice are set out in this clause.
- (3) On and after the implementation date, this notice applies to persons who are eligible for primary maternity services (whether or not those persons are part way through a module under the previous notice immediately before the implementation date).
- (4) If, immediately before the implementation date, a person who is eligible for primary maternity services is part way through a module under the previous notice, the person will continue to receive their care but it will be for the remainder of the corresponding module in this notice.
- (5) If, before the implementation date, a claim is made, or may be made, in accordance with the previous notice, the previous notice continues to apply to that claim.
- (6) Despite subclause (5), no claim for services provided before the implementation date will be paid if the claim is received after 30 June 2008.
- (7) If, on or after the implementation date, the care of a person who is eligible for primary maternity services is completed under this notice, but the care of that person was started under the previous notice, this notice applies to a claim for the care that has been provided under the previous notice and under this notice.
- (8) An authorisation that was granted to an individual practitioner under the previous notice and that is in effect immediately before the implementation date is to be treated as if it were an authorisation that has been granted under clause CA1(1), and this notice applies to the authorisation.
- (9) In this clause, unless the context otherwise requires,—

implementation date means 1 July 2007

previous notice means the Maternity Services Notice (which was effective from 1 July 2002) and its amendments.

Defined in this notice: authorisation, claim, module, persons who are eligible for primary maternity services

A6 Definitions and interpretation

- (1) The definitions and other interpretation provisions for this notice are set out in Part B.
- (2) Some key definitions include the following:
 - (a) the definition of **primary maternity services** (see clause B1):
 - (b) the definition of **persons who are eligible for primary maternity services** (see clause B2):

- (c) the definition of **maternity provider** (see clause B3).

Defined in this notice: maternity provider, persons who are eligible for primary maternity services, primary maternity services

A7 General requirements for all primary maternity services

- (1) The general requirements that apply to all primary maternity services are set out in Part C.
- (2) The general requirements cover the following matters:
- (a) authorisations (see subpart CA):
 - (b) the general requirements for providing primary maternity services (see subpart CB):
 - (c) claims (see subpart CC).

Defined in this notice: authorisation, claim, primary maternity services

A8 Specific requirements for each primary maternity service (including service specifications and payment rules)

- (1) The specific requirements that apply to each primary maternity service are set out in Part D.
- (2) The specific requirements (which include service specifications and payment rules) cover each of the following primary maternity services:
- (a) lead maternity care (see subpart DA):
 - (b) maternity non-LMC services (see subpart DB):
 - (c) specialist medical maternity services (see subpart DC).

Defined in this notice: lead maternity care, maternity non-LMC services, primary maternity services, specialist medical maternity services

A9 Fees

- (1) The fees that may be claimed under this notice are set out in Schedule 1.
- (2) The fees are exclusive of GST.
- (3) Schedule 2 sets out the rural area unit classification, which relates to the fees for rural travel.

Defined in this notice: claim, GST, primary maternity services, rural travel

Process for amending or revoking notice

A10 Process for amending or revoking notice (excluding amendments that consist of only fee increases)

- (1) This clause applies to a proposal to do any of the following:

- (a) make an amendment to this notice that does not consist of only an increase to a fee in Schedule 1:
 - (b) revoke this notice:
 - (c) issue a replacement notice.
- (2) If this clause applies, the Ministry of Health must notify the following organisations, in writing of a proposal to amend, revoke or replace this notice:
 - (a) the New Zealand College of Midwives:
 - (b) the New Zealand Medical Association:
 - (c) other organisations that are recognised by the Ministry of Health as representing maternity consumers and the professional colleges of practitioners.
- (3) The Ministry of Health will send the proposal to amend, revoke or replace this notice and a proposed timeframe and process for consultation on the proposal to the organisations listed in subclause (2)(a) and (b).
- (4) The organisations listed in subclause (2)(a) and (b) will then have 10 working days to respond to the proposed timeframe for consultation. If there are no objections to the proposal the proposed timeframe for consultation will be used.
- (5) If an objection is received from 1 of the organisations listed in subclause (2)(a) or (b) then—
 - (a) the timeframe for consultation will be 12 weeks, starting from the date the proposal was provided to the organisations listed in subclause (2)(a) and (b); and
 - (b) the process for consultation will, to the extent practicable in the circumstances, include—
 - (i) the giving of adequate and appropriate notice within the 12 week timeframe to those organisations listed in subclause (2)(c) of the proposal to amend the notice;
 - (ii) the provision of a reasonable opportunity for the organisation listed in subclause (2) to make submissions; and
 - (iii) adequate and appropriate consideration of those submissions.
- (6) If, after the process set out in subclauses (2) to (5) is completed, the Ministry of Health decides to proceed with amending or revoking or replacing this notice (as applicable), the Ministry of Health will give every maternity provider 1 month's notice of the implementation of the amendment or the revocation or the replacement (as applicable).
- (7) A failure to comply with this clause does not affect the validity of any amendment to this notice, revocation of this notice, or the issue of a replacement notice (as applicable).

Defined in this notice: maternity provider, practitioner

A11 Streamlined process for amendments consisting of only fee increases

- (1) This clause applies to a proposal to make an amendment to this notice that consists of only an increase to a fee in Schedule 1.
- (2) If this clause applies, the Ministry of Health must notify the following organisations, in writing:
 - (a) the New Zealand College of Midwives:
 - (b) the New Zealand Medical Association:
 - (c) other organisations that are recognised by the Ministry of Health as representing maternity consumers and the professional colleges of practitioners.
- (3) The Ministry of Health will notify the organisations listed in subclause (2) at least 4 weeks before notice of the proposed fee increase is published in the *New Zealand Gazette*.
- (4) The Ministry of Health may, but does not need to, consult on a proposed increase to a fee in Schedule 1.
- (5) The Ministry of Health will give every maternity provider 1 month's notice of the implementation of an increase to a fee in Schedule 1.
- (6) A failure to comply with this clause does not affect the validity of any increase to a fee in Schedule 1.

Defined in this notice: maternity provider, practitioner

A12 Default transitional provisions for amendments consisting of only fee increases

- (1) This clause applies to an amendment to this notice that consists of only an increase to a fee in Schedule 1, unless the amendment expressly states otherwise.
- (2) An amendment that expressly states that this clause does not apply (whether or not the amendment also includes its own set of transitional provisions) is to be treated as if it consisted of only an increase to a fee in Schedule 1, and, to avoid doubt, the streamlined process set out in clause A11 still applies to the amendment.
- (3) An amendment to which this clause applies must specify a date on which the amendment becomes effective (**implementation date**).
- (4) If the applicable date of service for a payment to a maternity provider occurs before the implementation date, the fees that applied immediately before the implementation date continue to apply.
- (5) If the applicable date of service for a payment to a maternity provider occurs on or after the implementation date, the amended fees specified in the amendment apply.
- (6) In this clause, unless the context otherwise requires,—

date of service, in relation to a payment for a complete first and second trimester module, complete third trimester module, complete services following birth module, complete rural travel fee, additional home visits fee

and non-LMC first trimester services fee, is the last date of the period to which the module or fee applies

date of service, in relation to a payment of a partial first and second trimester module fee, partial third trimester module fee, partial services following birth module fee and partial rural travel fee, is either—

- (a) for a first partial module fee claim, the date on which the woman changed lead maternity carer on the registration form; or
- (b) for a second partial module fee claim, the last date of the period to which the module applies

Part C

General requirements for all primary maternity services

Subpart CA—Authorisations

CA1 Granting authorisation

- (1) The Ministry of Health may grant an authorisation to a maternity provider if the Ministry of Health is satisfied that—
 - (a) the maternity provider has properly completed the application form; and
 - (b) any reasonable conditions that the Ministry of Health requires for granting the authorisation have been met or will be met.
- (2) An authorisation of a maternity provider applies to the geographical area of a DHB in which the maternity provider will predominantly provide primary maternity services.

Defined in this notice: authorisation, maternity provider

CA2 Duration of authorisation

An authorisation continues in effect until it is terminated or lapses under this subpart.

Defined in this notice: authorisation

CA3 Withdrawal from providing primary maternity services

- (1) A maternity provider may, at any time, withdraw from providing primary maternity services under this notice by giving the Ministry of Health not less than 4 weeks' written notification.
- (2) Notification under subclause (1) terminates the maternity provider's authorisation and the relationship under this notice between the maternity provider and the Ministry of Health.

Defined in this notice: authorisation, maternity provider, primary maternity services

CA4 Exemptions

- (1) The Ministry of Health may exempt a maternity provider from a requirement of this notice, but only if the exemption is necessary to resolve a regional problem in relation to women's access to primary maternity services.
- (2) The exemption will be recorded in writing as if it were a variation to the authorisation of the maternity provider.

Defined in this notice: authorisation, maternity provider, primary maternity services

CA5 Termination or variation of authorisation by Ministry of Health

Subject to clause CA6, the Ministry of Health may terminate or vary an authorisation of a maternity provider if—

- (a) the maternity provider, or a practitioner who works for the maternity provider, has not complied with that authorisation or this notice; and
- (b) in the opinion of the Ministry of Health, it is unlikely that the maternity provider or practitioner (as applicable) will comply with that authorisation or this notice.

Defined in this notice: authorisation, maternity provider, practitioner

CA6 Process for terminating or varying authorisation by Ministry of Health

- (1) Before the Ministry of Health may terminate or vary an authorisation of a maternity provider under clause CA5, the Ministry of Health must—
 - (a) notify the maternity provider in writing of its intention to terminate or vary the authorisation; and
 - (b) provide written reasons for terminating the authorisation.
- (2) The maternity provider has 20 working days from receipt of the notification to—
 - (a) comply with the authorisation or this notice (as applicable); or
 - (b) satisfy the Ministry of Health that the authorisation or this notice (as applicable) will be complied with.
- (3) If, at the end of the 20 working day period, the Ministry of Health is not satisfied with the response from the maternity provider, it may give final notice of 5 working days of termination or variation of the authorisation.

Defined in this notice: authorisation, maternity provider, working day

CA7 Lapse of authorisation

An authorisation of a maternity provider lapses and ceases to have effect if—

- (a) the maternity provider has not made a claim under this notice for a period of 12 months; or
- (b) the maternity provider dies; or
- (c) the maternity provider becomes bankrupt, or goes into liquidation or receivership (as applicable); or
- (d) the maternity provider becomes a mentally disordered person within the meaning of the Mental Health (Compulsory Assessment and Treatment) Act 1992, or becomes a person subject to a property order under the Protection of Personal and Property Rights Act 1988.

Defined in this notice: authorisation, claim, maternity provider

CA8 Consequences of termination or lapse of authorisation

- (1) The termination or lapse of a maternity provider's authorisation under this subpart does not affect the rights of—
 - (a) the Ministry of Health in relation to that authorisation or this notice; or
 - (b) the maternity provider in relation to a claim that the maternity provider would have been entitled to make, but for the termination or lapse of the authorisation under this subpart.
- (2) Subject to subclause (1)(b), a maternity provider is not entitled to claim for primary maternity services that have been provided after the relevant authorisation has terminated or lapsed (as applicable).

Defined in this notice: authorisation, claim, maternity provider, primary maternity services

Specific requirements for each primary maternity service (including service specifications and payment rules)

Subpart DA—Lead maternity care

General information about lead maternity care

DA1 Aim of lead maternity care

- (1) The aim of lead maternity care is to provide a woman with continuity of care throughout pregnancy, labour and birth, and the postnatal period.
- (2) Lead maternity care is available to women, and their newborn babies.

Defined in this notice: labour and birth, lead maternity care

DA2 Registration

- (1) In order to receive lead maternity care a woman who is eligible for primary maternity services must register with a LMC of her choice.
- (2) By registering with a LMC, the woman is also registering with a maternity provider.
- (3) Registration may occur at any time from the diagnosis of pregnancy until 6 weeks after birth, but no claim for payment may be made for lead maternity care that is provided before the date of registration.
- (4) The woman and her LMC must properly complete a registration form in the format specified by the Ministry of Health.
- (5) The woman must sign a registration form. Each form must be dated with the date on which the form was signed by the woman (**date of registration**).
- (6) The woman may, at any time, change the LMC with whom she is registered by signing a registration form with the new LMC.
- (7) The woman may be registered with only 1 LMC at a time.
- (8) If a registration form needs to be re-submitted it is sufficient to have a photocopy of the original registration form containing the signature of the woman.
- (9) A maternity provider must submit to HealthPAC the woman's registration or a change of registration no more than 20 working days after the date of registration.

Defined in this notice: claim, HealthPAC, lead maternity care, LMC, maternity provider, working day

DA3 Charging for lead maternity care

- (1) Lead maternity care provided by a midwife or general practitioner is to be provided free of charge to persons who are eligible to receive it under this notice.
- (2) A part charge may be charged to persons who are eligible for lead maternity care provided by an obstetrician.

Defined in this notice: general practitioner, lead maternity care, midwife, obstetrician

DA4 Where lead maternity care may be provided

Lead maternity care may be provided in a range of places, including the following places:

- (a) a woman's home:
- (b) a baby's home (if it is different from the mother's home):
- (c) the LMC's rooms or practice:
- (d) a maternity facility:
- (e) a birthing unit.

Defined in this notice: lead maternity care, lead maternity carer (LMC), maternity facility, BFHI

DA6 General responsibilities of LMCs

- (1) The LMC is responsible for—
 - (a) assessing the woman's and baby's needs; and
 - (b) planning the woman's care with her and the care of the baby; and
 - (c) the care provided to the woman throughout her pregnancy and postpartum period, including—
 - (i) the management of labour and birth; and
 - (ii) ensuring that all the applicable primary maternity services are provided; and

- (iii) ensuring all the applicable well child Tamariki/Ora services are provided to the baby.
- (2) The LMC or a backup LMC will be available 24 hours a day, 7 days a week to provide phone advice to the woman and community or hospital based assessment for urgent problems, other than acute emergencies.

Defined in this notice: back-up LMC, labour and birth, LMC, primary maternity services

DA7 Continuity of care

- (1) From the time of registration of a woman, a LMC is responsible for co-ordinating for the woman all of the modules of lead maternity care in order to achieve continuity of care.
- (2) Subject to subclause (6), if a LMC is unavailable to provide an entire module of lead maternity care because of holiday leave, sick leave, bereavement leave, continuing professional education requirements or other exceptional circumstances, a back-up LMC may provide those services.
- (3) Subject to subclause (6), the LMC for a woman may, with the woman's consent, delegate to another midwife, general practitioner, or obstetrician the provision of part of a module, but not the entire module.
- (4) However, the responsibility for meeting the requirements of the module remain with the LMC.
- (5) The respective responsibilities of the LMC and the practitioner to whom aspects of a module have been delegated will be clearly documented in the care plan.
- (6) Despite subclauses (2) and (3), if, because of exceptional reasons, the LMC is unable to be responsible for the ongoing provision of lead maternity care to a woman, the maternity provider must ensure that the woman is registered with another LMC.
- (7) A LMC is responsible for ensuring that handover to primary care and well child services takes place.

Defined in this notice: back-up LMC, general practitioner, LMC, maternity provider, midwife, obstetrician

DA8 Transfer of care to secondary maternity services, tertiary maternity services, and specialist neonatal services

- (1) If there is a transfer of care to secondary maternity services, tertiary maternity services, or specialist neonatal service, clinical responsibility for the woman and baby transfers, until there is a transfer of care back to the LMC.
- (2) Every transfer of care must be documented in the clinical notes, including the date and time of transfer.
- (3) If responsibility for a woman's care transfers to a secondary maternity service or tertiary maternity service after established labour, the woman's LMC may continue to support the woman.

Defined in this notice: established labour, LMC, secondary maternity, tertiary maternity, specialist neonatal services

Service linkages

DA9 Service linkages: transfer to well child services

- (1) A transfer of the care of the baby from the LMC to a well child provider must take place before 6 weeks from birth.
- (2) The LMC must give a written referral to a well child provider that meets the guidelines agreed by the New Zealand College of Midwives and providers of well child services, before the end of the 4th week following birth.
- (3) If the baby has unusually high needs, the LMC may request that a well child provider becomes involved as early as 2 weeks from birth to provide concurrent and co-ordinated care with the LMC.

*Module: Labour and birth***DA23 Service specification: labour and birth**

- (1) The LMC is responsible for ensuring that all of the following services are provided:
 - (a) all primary maternity services from the time of established labour, including initial assessment of the woman at her home or at a maternity facility and regular monitoring of the progress of the woman and baby:
 - (b) management of the birth:
 - (c) all primary maternity care until 2 hours after delivery of the placenta, including updating the care plan, attending the birth and delivery of the placenta, suturing of the perineum (if required), initial examination and identification of the baby at birth, initiation of breast feeding (or feeding), care of the placenta, and attending to any legislative requirements regarding birth notification by health professionals:
 - (d) the LMC must make every effort to attend, as necessary, during labour and to attend the birth, including making every effort to attend a woman as soon as practicable —
 - (i) after the woman's arrival at the maternity facility or birthing unit where she will give birth; or
 - (ii) when requested by the woman, for a homebirth:
 - (e) if a LMC is unable to attend the birth because of holiday leave, sick leave, bereavement leave, continuing professional education requirements or other exceptional circumstances, the LMC must make appropriate other arrangements with a back-up LMC:
- (2) For a homebirth, in addition to clause (1), the LMC must—
 - (a) arrange for another midwife, general practitioner, or obstetrician to be available to attend the birth; and
 - (b) maintain equipment (including neonatal resuscitation equipment) and provide the delivery pack and consumable supplies; and
 - (c) ensure that a midwife, general practitioner, or obstetrician remains with the woman for at least 2 hours following the birth.
- (3) For a birthing unit, in addition to clause (1), the LMC must—
 - (a) arrange for a midwife, general practitioner, or obstetrician to be available to attend the birth; and
 - (b) ensure that a midwife, general practitioner, or obstetrician remains with the woman until she is discharged.
- (4) A general practitioner or obstetrician LMC who uses hospital midwifery services in order to provide the full service required during labour and birth must—

- (a) ensure that the respective responsibilities of the LMC and the hospital midwifery services are clearly documented in the care plan, and that a copy of the care plan is given to the hospital midwifery services and to the woman; and
- (b) monitor progress of labour; and
- (c) be available to attend as soon as required at any time during the labour; and

Schedule 2

Rural travel

1 General information

- (1) The fees for rural travel are stated in Schedule 2 and payment rules for rural travel are stated in clause DA31.
- (2) The area units contained in clause 2 are based on the census area unit boundaries as set by Statistics New Zealand and as updated by Statistics New Zealand from time to time. Changes are generally only made:
 - (a) following an alteration of local authority boundaries; or
 - (b) as part of a general review carried out in the year prior to each census of population and dwellings; or
 - (c) during the fifteen or twenty year review of statistically defined urban areas.
- (3) If an area unit in the following table is deleted by Statistics New Zealand it is deemed to have been deleted from clause 2.
- (4) If a new area unit is created by Statistics New Zealand the Ministry, at its discretion, may decide what rural status to assign to the new area unit, if any.
- (5) If an area unit is not in clause 2 and has a description that includes water (such as inland water, harbour, inlet, etc.) then the maternity provider may apply to the Ministry of Health and the Ministry of Health may decide what rural status to assign to the area unit, if any.

Defined in this notice: maternity provider, rural travel

Terms and conditions of access to a maternity facility or birthing unit

Purpose of this agreement

1 Purpose

- (1) The practitioner named above is a practitioner as defined by the Primary Maternity Services Notice 2007 issued pursuant to Section 88 of the New Zealand Public Health and Disability Act 2000 (the "Notice"). The practitioner has requested access to the maternity facilities and/or birthing units listed above (the "facility" or "facilities") for the purpose of providing labour and birth and inpatient postnatal care to the practitioner's maternity clients.
- (2) This access agreement provides the practitioner with access to the services of the facilities as specified in the service specifications for Maternity Facility Services and Birthing Unit Services issued by the Ministry of Health, in accordance with the terms and conditions set out in this access agreement.

Obligations of both parties

2 Clinical safety

Primary maternity services will be provided in a clinically safe manner. This means that primary maternity care provided by the practitioner or the facilities must be based on the application of the best available knowledge derived from research and clinical expertise that incorporates the skills and standards of the relevant profession.

3 Cultural safety

Primary maternity services will be provided in a manner that recognises cultural differences and is sensitive to the cultural traditions, protocols and customs of the woman.

4 Māori health outcomes

Primary maternity services are intended to achieve Māori health outcomes and reduce Māori health inequalities by facilitating access to maternity services by Māori, ensuring appropriate pathways through those services and that maternity services address the primary maternity needs of Māori.

5 Referral guidelines

Both parties will take into account the Guidelines for Consultation with Obstetric and Related Specialist Medical Services that identify clinical reasons for consultation with a specialist and that are published by the Ministry of Health from time to time, when providing primary maternity services.

6 Policies and procedures

- (1) All relevant administrative policies of the facilities are to be available to the practitioner in those facilities.
- (2) All clinical policies and procedures of the facilities regarding the provision of primary maternity services will be developed, reviewed or updated by the facilities through the establishment of a working group. The working group will be established by the provider of the facilities from time to time, and will be comprised of representatives of the facility, representatives of the practitioners who have access agreements in respect of the facility, and the professional organisations of those practitioners. All clinical policies and procedures should be evidence based and consistent with any nationally developed guidelines.
- (3) All clinical policies and procedures of the facilities will form the basis of primary maternity care provided in the facilities, and must be available to the practitioner.

7 Relationship between the maternity facility or birthing unit and the practitioner

- (1) The relationship between the facilities and the practitioner gives the practitioner access to the facilities upon these terms and conditions, and is not to be construed as one of employment or a contract for service by the practitioner.

- (2) Subject to its obligations under the Health and Safety in Employment Act 1992, the facilities shall not inquire into or specify matters relating to the operation or administration of the practitioner's practice.

8 Complaints management

- (1) Where a woman makes a complaint about a primary maternity service provided to her in the facilities, the party receiving the complaint will advise the woman of the appropriate avenues for complaint.
- (2) If the practitioner and the facilities both have responsibilities in respect of the service complained about then, with the consent of the woman, the party who receives the complaint shall discuss the issue with the other party.

9 Dispute management

- (1) If any issue arises between the practitioner and the facilities in relation to the interpretation of, obligations under or compliance by either party to the terms of this access agreement, the practitioner and the facilities shall use their best endeavours to settle the dispute by agreement. The management of any dispute must be by a process that is mutually agreed by both parties.
- (2) The relevant professional organisation should be considered as a resource in preventing or managing any dispute.

10 Suspension

- (1) The General Manager of the facilities shall have the right and complete discretion to immediately suspend access by the practitioner to the facility in the event of a serious complaint being made of gross misconduct, negligence, or a substantial or repeated breach of this agreement by the practitioner.
- (2) Within 48 hours of the suspension, the facilities will provide the practitioner with written reasons for the suspension.
- (3) The practitioner and the facilities shall use their best endeavours to manage the suspension by a process that is mutually agreed by both parties. The relevant professional organisation should be considered as a resource in managing the suspension.

Obligations of the practitioner

11 Compliance with Statutes and Regulations

The practitioner undertakes and agrees that all statutory, regulatory, legal, and professional requirements that apply to primary maternity services provided by them are complied with.

12 Qualifications

- (1) The practitioner shall at all times be one of the following:
 - (a) a general practitioner, meaning a health practitioner who is, or is deemed to be, registered with the Medical Council of New Zealand (established by the Health Practitioners Competence Assurance Act 2003) in the vocational scope of practice of general practice and holds an annual practicing certificate and a Diploma in Obstetrics (or

equivalent, as determined by the New Zealand College of General Practitioners); or

- (b) a midwife, meaning a health practitioner who is, or is deemed to be, registered with the Midwifery Council (established by the Health Practitioners Competence Assurance Act 2003) as a practitioner of the profession of midwifery and holds an annual practicing certificate; or
 - (c) an obstetrician, meaning a health practitioner who is, or is deemed to be, registered with the Medical Council of New Zealand (established by the Health Practitioners Competence Assurance Act 2003) in the vocational scope of obstetrics and gynaecology and holds an annual practicing certificate.
- (2) The practitioner will inform the facilities of any change in their practising status or any conditions attached to their annual practicing certificate.

13 Professional responsibilities

- (1) The practitioner agrees that he or she is fully responsible for his or her own professional practice.
- (2) The practitioner will explain to the woman the relationship between the practitioner and the facility.

14 Clinical competencies

- (1) The practitioner is responsible for having the appropriate clinical competencies if the practitioner provides a woman with any one of the procedures listed below during labour and birth in consultation with a specialist:
 - (a) management of women with epidurals;
 - (b) management of women requiring induction and augmentation;
 - (c) management of women requiring instrumental vaginal deliveries;
 - (d) interpretation of CTGs.
- (2) The practitioner must inform the facilities whether they have the appropriate clinical competencies to provide women in their care with any of the procedures listed in subclause (1) above.

15 Participation in protected quality assurance activities

- (1) The practitioner will participate in quality assurance activities declared by the Ministry of Health to be protected quality assurance activities under section 54 of the Health Practitioners Competence Assurance Act 2003 that are relevant to the provision of primary maternity services in the facilities, including perinatal mortality review meetings where such meetings are protected quality assurance activities.
- (2) A list of all the protected quality assurance activities that are relevant to that facility must be available to the practitioner in the facility.

16 Indemnity Protection

The practitioner shall maintain appropriate professional indemnity protection at all times during the term of this agreement.

17 Students

The practitioner shall be responsible for any student accompanying the practitioner in conjunction with a School of Midwifery or a School of Medicine.

18 Availability

- (1) The practitioner, or a back-up Lead Maternity Carer, will be available 24 hours a day, 7 days a week to provide community or hospital based assessment for urgent problems, other than acute emergencies, in accordance with clause DA6(2) of the Notice.
- (2) The practitioner must ensure that the back-up Lead Maternity Carer has a current access agreement with the facilities.

19 Administrative Requirements

The practitioner will meet any reasonable administrative requirements of the facilities to the extent necessary to enable the facilities to run an efficient and co-ordinated service.

20 Contact Details

The practitioner shall notify the facilities of any changes in their contact details.

Obligations of the facility

21 Health and Safety

The facilities will comply with their obligations under the Health and Safety in Employment Act 1992, including taking all practicable steps to ensure that no hazard in or arising in the facilities harms a practitioner working on the premises, and warning practitioners of significant hazards in the facilities that would not normally be expected to arise in that type of place or work.

22 Orientation

The facility shall provide the practitioner with an orientation to its facility at a time mutually agreeable to both parties.

23 Education forums

Where a practitioner provides care that includes any one of the procedures listed below (and in clause 14 of this access agreement), where the facilities provides access to educational courses or forums to its employees, the facilities will make available to the practitioner these updates and refresher courses;

- (a) management of women with epidurals;
- (b) management of women requiring induction and augmentation;
- (c) management of women requiring instrumental vaginal deliveries; or
- (d) interpretation of CTGs.

24 Administrative requirements

The facility shall facilitate the practitioner's compliance with any administrative requirements.

25 Availability of facilities

The facility shall ensure that reasonable notice is given prior to any reduction or cessation of the facility's services.

*Other terms and conditions***26 Entire agreement**

These terms and conditions form the entire agreement between the Maternity Facility and the Practitioner.

27 Term

- (1) This agreement is continuous, subject to an annual sighting of the practitioner's annual practising certificate and indemnity protection.
- (2) The practitioner may terminate this access agreement by giving written notice to the facilities.
